- Laser engraved text and graphics on push plates and faceplates

PUSH PLATE OR BUTTON TYPE

- 19 different push plates and buttons
- Illuminated and vandal resistant models
- The widest range of button colors
- Combine buttons and key switches on common faceplates

FACEPLATE SIZE/MATERIALS

- Narrow, single or double gang
- Heavy gauge stainless steel or 1/4" thick aluminum
- Custom faceplate sizes

FACEPLATE FINISHES

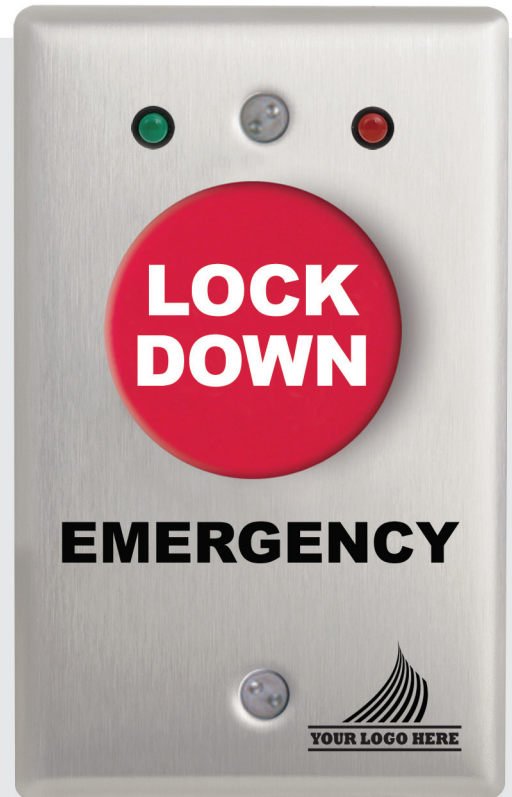

- Camden can match any architectural finish
- A range of optional finishes for push plate switches is shown in catalog/price list

LED INDICATORS

- 12V and 24VDC
- Red, green, amber and bi-color LEDs

CONTACTS

- Additional quantity of contacts
- Different configurations (N/O, N/C, DPDT, etc)

STOCK, SPECIAL ORDER AND CUSTOM ORDER PRODUCT

Camden Controls offers three categories of door control products.

Stock Products are found (with complete model numbers) in our product catalog/price list.

Special Order products are stock products with options and finishes (configured using multiple model numbers and prices), found in our product catalog/price list.

Custom Order products are configurations that cannot be priced from our product catalog/price list.

Contact Camden for a free, no obligation custom switch quotation today!
